Re: Notification of *Ex Parte* Communication
WT Docket Nos. 96-86, 06-150; PS Docket No. 06-229

Dear Ms. Dortch:

This letter is to report a permitted, oral *ex parte* communication of Frontline Wireless, LLC ("Frontline") concerning the above-referenced proceedings.

Specifically, on April 16, 2007, Reed Hundt (Vice Chairman of Frontline) met with Commissioner Jonathan S. Adelstein. In the meeting, the parties discussed Frontline's Public Safety Deployment Plan, which would meet the Commission's critical goals for extending broadband to all Americans, including those in rural areas, and for providing a privately funded, national public safety network for interoperability. The parties also discussed proposed service rules that would allow the FCC to implement this Plan by relying on existing Commission authority and without delaying the 700 MHz spectrum auction.

Please direct any questions concerning this matter to the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew S. DelNero", with a stylized flourish at the end.
